# *Dedication*

We, the Seniors of 1967, take much pleasure in dedicating this annual to Edith Buchanan and Wayne Collins.

We feel that these two people have done more for our class than any other individuals. They have put up with us through two plays, numerous class meetings, and helped us to make money for our class.

This is a way to show our appreciation of their help. THANK YOU, Mrs. Buchanan. THANK YOU, Mr. Collins.

Sincerely

## *Superintendent's Message*

I am sure that in the future as we look at our annuals it will bring back pleasant memories of the school days we enjoyed at Warner. I shall never regret being a small part of these memories and I hope all of you will always feel the same way.

## *Principal's Message*

In words and pictures the 1966-7 edition of the Eagle tells the story of your years at Warner High.

This was a year in which you have studied worked, played and planned for your future It has been a real experience, and, I hope, a rewarding one.

To the Seniors: I hope you continue your education. It has been a pleasure working with you, and may I wish you success and much happiness.

To the other Classes: You have been a wonderful group of students to work with, and I hope to see each of you at Warner High next year. Best wishes to all.
